10 planks of communist manifesto

1. Abolition of property in land and application of all rents of land to public purposes.
2. A heavy progressive or graduated income tax.
3. Abolition of all right of inheritance.
4. Confiscation of the property of all emigrants and rebels.
5. Centralization of credit in the hands of the state, by means of a national bank with state capital and an exclusive monopoly.
6. Centralization of the means of communication and transport in the hands of the state.
7. Extension of factories and instruments of production owned by the state; the bringing into cultivation of wastelands, and the improvement of the soil generally in accordance with a common plan.
8. Equal liability of all to labor. Establishment of industrial armies, especially for agriculture.
9. Combination of agriculture with manufacturing industries; gradual abolition of the distinction between town and country, by a more equable distribution of the population over the country.
10. Free education for all children in public schools. Abolition of children's factory labor in its present form. Combination of education with industrial production

#2 Income tax was designed to eliminate the middle class. Communism only has a low class that has no money and an upper class that are super rich.

We should not have an income tax. We trade our services for money. You can trade someone \$400 for 40 hours of labor. People are not taxable. Corporations are.

Churches are becoming 501(c)3 incorporated and become liable to file as exempt under tax law when they already could file as excepted without incorporation.

CSE is a sovereign church - non 501(c)3

5th amendment - don't file 1040 and you are not incriminating yourself.

Marx was the founder of the American tax system

#5 establish central bank

1800's banking was a problem. If you control the money supply you can control the country. Federal Reserve is a private banking cartel run by the super rich and has nothing to do with the federal government.

The government spends 3 cents to print a bill and gives it to the Federal Reserve who then lends it back to the government for \$20 plus interest.

1913 the Federal Reserve was created

You have no money. You have a debt note from the Federal Reserve that says you owe them \$20

People have been trying to turn lead to gold for years. Alchemist's tried using science and chemicals and eventually became known as chemists.

The federal reserve turns lead to gold by starting wars.

They then lend money to both sides and at the end of the war both country's owe them money plus interest and the gold comes rolling in.

CSE-103 Class 6 Notes

Government has the right to 'coin' money. Real money.

We trade the gold in for paper which eventually will be replaced by plastic and then by a chip.

Military will be the first to get the chip

1928 \$5 Federal Reserve note

"Redeemable in gold on demand at United States treasury or redeemable in gold or lawful money at any federal reserve bank"

Note can be exchanged for "lawful money" but is not real money

March 6 1933 Roosevelt called in a national state of emergency

Depression in 1929 was caused by the super rich to get more control over the country by forcing them to come in and get a social security number

During war time the president can give executive orders

Roosevelt asked the governors to go back to the States and ask to give him power to grant executive orders to fight a war against the economy.

The March 6 1933 order amended the 1917 Trading with the Enemy Act to say anyone that had gold would be considered the enemy. Everyone was to turn in their gold or be arrested.

Wizard of Oz - OZ = gold

follow the yellow brick road

1934 Reserve note read

"This note is legal tender for all debts public or private and is redeemable for lawful money at any US treasury or federal reserve bank."

No longer can be turned in for gold

Someone mailed a \$5 to a treasury and requested 'lawful money'. They were sent back a Treasury note that also said it could be turned in for lawful money. He wrote back and they sent him a letter saying congress has not decided what lawful money was yet.

Government is a artificial non living fictitious person. It owns, controls, regulates, taxes, assigns numbers to, and fines what it creates.

Whatever you create you own. People created the government and we own it.

'Public Servant' - governors

Citizens rule book - drdino.com

If a unconstitutional law is passed and someone is being tried yet is guilty of breaking the law a non-guilty vote by a juror will nullify it because the law is unconstitutional.

In the declaration of independence the u is not capitalized in 'United States of America'
America was built on laws given by God

God built man

Man built sovereign states to compose the government
